About

I'm a first-year B.Tech student in Computer Science and Engineering at KLH University, with a strong interest in programming, problem-solving, and building useful things with code. I'm currently learning Java and I practice by working on small projects. I believe consistent learning matters more than quick results, so I try....

About

I'm a first-year B.Tech CSE student at KLH Bachupally. I'm building my skills in Java programming and strengthening my understanding of core programming concepts through hands-on practice. I actively practice coding problems on CodeChef and explore opportunities to improve my skills through Rated AI. I'm eager to learn new technologies, take on coding challenges, and grow as a software developer.
